

To All Drivers,

I draw your attention to the AKA's Cybersafety Policy that was adopted into the rules of the sport in February 2012.

You have an obligation to participate in Karting with good sportsmanship at all times and this includes your use of the internet, social media sites and mobile phones.

The use of mobile phones, the internet, and/or social networking sites will not be used to abuse, harass or threaten other drivers, club members or officials and such behaviour will not be tolerated by the AKA.

Failure to adhere to this rule will lead to a Stewards Hearing and/or a Disciplinary Tribunal hearing where you will be subjected to the full range of penalties.
